

LTFAPA - Laboratory of Technological and Functional Analyses of Prehistoric Artefacts, Sapienza University

Christina Lemorini (cristina.lemorini@uniroma1.it)

Flint

- Thermal stress
- Washing with stone, sand, and metal by sieve
- Various activities with minerals
- Retouching with stone, bone, and antler
- Cutting reeds
- Cutting cereals
- Scraping and cutting tubers
- Cutting herbaceous plants
- Various activities with wood
- Various activities with hard animal material
- Various activities with hide both with and without additives
- Butchering birds
- Butchering fish
- Butchering mammals

Obsidian

- Various activities with minerals
- Cutting reeds
- Cutting cereals
- Scraping and cutting tubers
- Cutting herbaceous plants
- Various activities with wood
- Various activities with hard animal material
- Various activities with hide both with and without additives
- Butchering fish
- Butchering mammals

Quartz, quartzite, rhyolite, fenetized

- Scraping and cutting tubers
- Cutting herbaceous plants
- Various activities with wood
- Various activities with hide both with and without additives
- Butchering mammals

Macro-lithic Tools

- Various activities with soft animal materials
- Various activities with hide both with and without additives
- Various activities with bone both with and without additives
- Various activities with shell
- Various activities with eggshell
- Various activities with herbaceous plants
- Various activities with cereals
- Various activities with nuts, hazelnuts, and almonds
- Various activities with legumes
- Various activities with tubers
- Various activities with wood
- Various activities with basalt
- Various activities with flint
- Various activities with ochre
- Various activities with iron and sand

Bone and antler

- Scraping softening, drilling, and sewing hide both with and without additives
- Weaving with herbaceous plants
- Chopping wood
- Digging ground
- Polishing pottery
- Engraving and imprinting (decorating) pottery

Clay and temper vessel

- Pounding and cooking legumes, both with and without additives
- Pounding and cooking cereals, both with and without additives
- Pounding and cooking meat
- Pounding and cooking meat and bone
- Pounding and cooking meat and additives
- Pounding and cooking meat and bone and additives
- Producing yoghurt using milk and additives
